Tecnical data

Weight: about 16,5 kg
unit: 1/box
units per pallet: 8/pallet

Comfortable swivel chair with elegant mesh backrest

	Stepless seat height adjustment with top lift
	Ergonomically shaped backrest with breathable mesh covering, height-adjustable lumbar support at the rear
	Comfortable flat seat with knee roll
	Synchronous mechanism, for synchronous adjustment of the seat and backrest inclination - backrest inclination and seat inclination follow the movements of the seated person, adjustable to the respective body weight, lockable with safety release
	Stable black polyamide base equipped with load-dependent braked safety double castors for carpeted floors
	Optional at extra charge: height-adjustable armrests "O2" with soft pad overlay. Or fixed plastic armrests "R", black.

This model bears the GS mark of the Intertek in Fürth and in this context fulfils all safety-relevant requirements.

Max. User height 1.92 m | Max. user weight 110 kg | Max. Use time / day 8 hrs.
